

One Year Courses

What do I need?

To study the Vocational Pathway you need at least 4 GCSEs at grade 3. You should talk to your teachers or ask at interview whether this pathway would be the right one.

Please also check our website.

 **Motor Vehicle Studies**
SEG Level 2 diploma

 **Extended Project Qualification**
AS Level

What can I study?

You can study a Level 2 course in Mechanics – the Motorcycle pathway. If you do not have a grade 4 in GCSE English or Maths you will need to retake the subject.

What we are looking for

You will have the opportunity for a Work Experience placement. Success in Level 2 courses can give you the equivalent of four GCSEs at grade 4 or above. This would enable you to progress to Level 3 courses (including A Levels and Level 3 diplomas) and then into Higher Education.

Additional One Year Course for the Scholarship Pathway:

You can opt to take the Extended Project Qualification. You choose a topic, providing you with an opportunity to demonstrate and pursue an interest in a subject you may wish to study at university.

What can I study?

You will need to choose three subjects. You should talk to your teachers and ask at interview whether you should take four subjects. You may also study the Extended Project Qualification, choosing a topic to explore you may wish to continue studying later.

What we are looking for

You will be expected to continue to make good progress throughout the two years. Entry into Year 13 is not automatic and is dependent on you making satisfactory progress during Year 12.
